[Click here to join the presentation from your laptop or computer.](#)

Local and national leaders present pediatric topics in their area of specialty during this weekly series.

**OBJECTIVES:**

At the conclusion of this activity, the participant will be able to:

- 1 Describe a model for understanding suicide.
- 1 List several risk factors and warning signs frequently experienced during a period of increased suicide risk.
- 1 Enumerate at least two interventions that can be used for suicide prevention in clinical practice.
