Event Description: The primary mission of the SAFE-CARE Network is to provide every child with concerns for abuse or neglect access to quality and compassionate medical care to ensure their own health and safety through proper diagnosis and treatment. SAFE CARE ECHO is a regularly scheduled webinar series providing ongoing case based and didactic education to Missouri SAFE CARE providers.

OBJECTIVES:

At the conclusion of this activity, the participant will be able to:

- 1 Discuss ways illicit fentanyl is used and distributed
- 2 Discuss other drugs that contribute to illicit fentanyl toxicity
- 3 Review fentanyl exposure risks to pediatrics
