## LOCAL GUEST FACULTY

### **Stefanie Ellison, MD**

Associate Dean for Learning Initiatives, Professor of Emergency Medicine, University of Missouri - Kansas City School of Medicine

### **Kristin Streiler, MD**

Assistant Professor, Pediatrics, University of Kansas School of Medicine

### **Molly Uhlenhake, DO**

Assistant Professor, Internal Medicine, University of Missouri - Kansas City School of Medicine

## SYMPOSIUM OVERVIEW

Clinical Advances in Pediatrics Symposium (CAPS) is focused on providing the latest advances in pediatric research and evidence-based practice to improve the quality of children's healthcare. This annual learning event emphasizes practical application of current concepts that pediatricians, pediatric specialists, family physicians, and advanced practice providers, involved in the care of children and adolescents, can apply in their practice.

## REGISTRATION - \$500

Includes both:

### In-Person Attendance at Children's Mercy Adele Hall Campus

- Participate in live sessions while networking with colleagues.
- Engage with CAPS faculty and ask your questions during panel discussions.
- Breakfast and lunch Wednesday and Thursday; Breakfast only on Friday.

### Access to On-Demand Recordings

- Can't make a session in person? Watch the recording later on-demand.
- Recordings are planned to be available by Oct. 15 through Dec. 1, 2024.

\*Note: Wednesday afternoon breakout sessions will not be recorded or offered on-demand. Other presentations may not be offered on-demand due to speaker request.

Registration is available on our Children's Mercy CloudCME website or you can visit [childrensmercy.org/CAPS](https://childrensmercy.org/CAPS).

Log in with your username and password or create a new account (be sure to use a unique and individual email address when creating an account). Future communications related to the conference will be sent to the email provided at registration.

You will receive e-mail confirmation of your successful registration. In the event you do not receive a confirmation, or prefer to register by phone, please contact [caps@cmh.edu](mailto:caps@cmh.edu).

Registration fees are waived for dues-paying members of Children's Mercy Physician Business Partners and employees of Children's Mercy Hospital. If you are interested in Children's Mercy Physician Business Partners membership, please contact [pmkjohnson@cmpcn.org](mailto:pmkjohnson@cmpcn.org).

## CANCELLATION

Cancellations for any attendance option must be received by Sept. 1, 2024, to receive a refund. A \$75 administrative fee will be deducted. No refunds will be given for cancellations received after this date or for non-attendance.

“ **This was an excellent program. I took so many notes. I am excited to share with my colleagues when I go to work on Monday.** ”

—2022 CAPS attendee

## CONTINUING MEDICAL EDUCATION

Children's Mercy Hospital is accredited by the Missouri State Medical Association to provide continuing medical education for physicians.

Clinical Advances in Pediatric Symposium: Children's Mercy Hospital designates this other activity (live course and internet enduring material) for a maximum of **18.25 AMA PRA Category 1 credit(s)**<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to **16.75 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program**. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

## EDUCATIONAL GRANT SUPPORT

We would like to thank the below organizations for their support of CAPS.

- Greater Kansas City Pediatric Society
- William L. and Lenora D. Bradford Lectureship

*This list is current as of June 2024. Any additional support received will follow ACCME Standards for Integrity and Independence in Accredited Continuing Education and will be disclosed prior to the live presentations.*

## ABOUT CHILDREN'S MERCY KANSAS CITY

Children's Mercy Kansas City is ranked as one of "America's Best Children's Hospitals" in all 10 specialties rated by U.S. News & World Report and has received Magnet™ recognition for excellence in nursing services five consecutive times. With 366 licensed beds and a medical staff of more than 750 pediatric subspecialists, we care for children from all 50 states and from around the world. In addition, our leadership in pediatric genomic medicine and individualized pediatric therapeutics is driving research and innovation across all pediatric subspecialties to transform outcomes for children. Children's Mercy is also a leader in providing outstanding pediatric medical education through our pediatric residency, fellowships, and allied health professional educational programs. Our love for children powers everything we do, inspiring our research, innovations and our everyday care. Because love has no limits. And with it, neither do we.
