

55th Annual **CLINICAL ADVANCES IN PEDIATRICS SYMPOSIUM**

Sept. 21-23, 2022

Clinical Advances in Pediatrics Symposium (CAPS) is focused on providing the latest advances in pediatric research and evidence-based practice to improve the quality of children's health care. This annual learning event emphasizes practical application of current concepts that pediatricians, pediatric specialists, family physicians, and advanced practice providers involved in the care of children and adolescents can apply in their practice.

ABOUT CHILDREN'S MERCY KANSAS CITY

Children's Mercy Kansas City is ranked as one of "America's Best Children's Hospitals" in all 10 specialties rated by U.S. News & World Report and has received Magnet® recognition for excellence in nursing services five consecutive times. With 390 licensed beds and a medical staff of more than 750 pediatric subspecialists, we care for children from all 50 states and from around the world. In addition, our leadership in pediatric genomic medicine and individualized pediatric therapeutics is driving research and innovation across all pediatric subspecialties to transform outcomes for children. Children's Mercy is also a leader in providing outstanding pediatric medical education through our pediatric residency, fellowships and allied health professional educational programs. We believe that every child deserves more ways to stay healthy, more life-changing research, and more solutions for everyday challenges. By partnering with community physicians, providers, organizations and families, we can clear new paths for every child's potential.

**Up to 15.5 CME
Hours
and 15 MOC
points**

SYMPOSIUM OVERVIEW

REGISTRATION FEE

We will offer in-person attendance at CAPS, contingent on the COVID-19 pandemic situation. More information on in-person attendance will be shared in August 2022 as we assess the COVID-19 safety guidelines necessary to assure a safe experience for all.

For 2022, CAPS registration will be in two phases, outlined below:

Live-Streaming and On-Demand Participation (Phase 1) - \$200

- Access to live streamed sessions, which also enables participants to ask questions of presenters.
- Access to on-demand, recorded sessions 1-2 weeks following the conclusion of the live event. On-demand recordings will be available for registrants to view at their leisure through Dec. 4, 2022.
- When you register for live stream/on-demand viewing, you will indicate if you are interested in attending in person. Only those indicating they are interested in the in-person option will be sent additional details on in-person attendance in August 2022.

In-Person Attendance (Phase 2) – Additional Cost TBD

- In-person attendance at the Children's Mercy Research Institute Auditorium at 2401 Gillham Road, Kansas City, MO 64108.
- In-person attendance will include networking opportunities and individual boxed meals.
- To ensure the safety of our patients, families, staff, and guests, in-person attendees must comply with Children's Mercy Kansas City COVID-19 safety measures in place at the time of the conference.
- Anyone who fails to comply with these safety measures will be asked to participate virtually and the additional, in-person fee will be forfeited.
- Registration is available on our Children's Mercy CloudCME website or you can visit cmkc.link/caps2022. Log in with your username and password or create a new account (be sure to use a unique and individual email address when creating an account). Links to the content will be sent to the email provided at registration.

- You will receive email confirmation of your successful registration. In the event you do not receive a confirmation, or prefer to register over the phone, please contact caps@cmh.edu.
- Registration fees are waived for dues-paying members of Children's Mercy Physician Business Partners and employees of Children's Mercy Kansas City. If you are interested in Children's Mercy Physician Business Partners membership, please contact mberger@cmics.org.

CANCELLATION

Cancellations must be received by Sept. 1, 2022, to receive a refund. An administrative fee of \$75 will be deducted. No refunds will be given for cancellations received after this date or for non-attendance.

CONTINUING MEDICAL EDUCATION

Children's Mercy Hospital is accredited by the Missouri State Medical Association to provide continuing medical education for physicians.

Children's Mercy Hospital designates this live educational activity for a maximum of **15.5 AMA PRA Category 1 credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn **15 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program**. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

EDUCATIONAL GRANT SUPPORT

We would like to thank the below organizations for their support of CAPS.

- Greater Kansas City Pediatric Society
- William L. and Lenora D. Bradford Lectureship

This list is current as of June 2022. Any additional support received will follow ACCME Standards and will be disclosed prior to the live presentations.
