

The CloudCME® mobile app provides quick access to most of the CloudCME® functions. You only need to download the app and login once, and then you will be able to view content, perform CE tasks, see listings of activities or check-in to activities from your device. When an event is complete, Evaluation forms and Claim Credit allow you to finalize the CE process.

Via CloudCME® Mobile App

- Step 1: Download App if you have not already
- Step 2: Open the app, use organization code: **childrensmercy**
- Step 3: Click the **Login** button.
- Step 4: Select "Sign in with Children's Mercy Username & Password". This will take you through the Microsoft single sign-on process.
- Step 5: You should now see your name in the upper left corner. You can browse upcoming courses, view certificates, etc.

The features that are available in the CloudCME® Mobile App are set by your institution. Your CloudCME® mobile app features may include:

My Profile – create and manage your account in CloudCME®.

My Evaluations - complete activity evaluations.

My Certificates – view, print or email certificates.

My Transcript – view, print or email your transcript.

Online Courses – access online activities and complete them.

Syllabus – view activity syllabi, view up-loaded presentations and take notes on the displayed presentations.

Calendar – view upcoming CE activities.

Scan Attendance – record your attendance by scanning the QR code, when applicable.

Audience Response - allows you to participate in audience response polls, when applicable.

Faculty – if you serve as faculty to CE activities, you can access and complete your faculty assigned tasks including relevant financial relationship forms.

The mobile app menu may vary depending on your institution's policies.
